## Message from the O.S.S.A. President:

So, that's a wrap on the 2025 OSSA Tournament Schedule! It's hard to believe how quickly the season has come and gone, but as Dr. Seuss said, "Don't cry because it's over, smile because it happened."

A heartfelt thank you goes out to the clubs that hosted events this year—Kingston, Waterford, Hamilton, Barrie, Uxbridge, Oshawa, HAHA, Sydenham, Toronto Int'l, Knotty Pine, and Rock Cut. None of this would be possible without the dedicated people at those clubs who work tirelessly to provide registered skeet opportunities for our members.

Thank you also to the OSSA members who support the sport—whether by shooting registered targets at their home clubs, or traveling across the province to attend tournaments. Ontario remains one of the few regions worldwide where skeet participation is still growing, and that's because of the effort, enthusiasm, and welcoming spirit that you all bring.

From introducing new shooters to the game, to running leagues like the Lower Lakes and Penguin, to creating the kind of positive atmosphere that keeps people coming back—you make this community what it is.

For those heading to the World Shoot, good luck, shoot well, and most importantly—have fun!

Until our paths cross again—shoot safely, shoot well, shoot often, and I wish you all the best for the rest of 2025.

Jim

## Message from the N.S.S.A.

"NSSA Update"

As I write this update, many of our Ontario shooters are preparing to attend the NSSA World Championships in San Antonio, Texas. While fewer of us are driving down this year, more are flying and we all are excited to attend and dream of winning World Championships. Well, some of the attendees are dreaming of winning . . . I'm just looking forward to attending! However, with the calibre of shooters we have in Ontario, don't be surprised if we come home with some hardware! Look for scores and results on the NSSA or OSSA Facebook page. You can also go to the NSSA website to look for how our people are doing.

I have stated this before, and Jim Malcolm's message has made mention of it, but Ontario is a shining example of how things can be in the skeet world. Many other areas are lucky to be holding their own as far as dwindling numbers go for membership and participation, but in Ontario, we have shoots that are full, or very close to it. We have added all sorts of new members, Toronto International held their first ever "American Skeet" tournament and the Barrie Gun Club is adding a new field because they cannot handle their traffic with their existing facilities.

The common denominator in what we are seeing in the OSSA member clubs, that are growing, is a high level of very enthusiastic leadership! Some clubs are running clinics and leagues, upgrading their facilities and are actively looking for new members (and encouraging / mentoring these new members regarding competition). The NSSA has many programs that lend support to these activities and some of our OSSA clubs have been very good at taking advantage of these tools. Yes, applications have to be filled out, but the small amount of work required can offer very lucrative benefits to your club, and the members therein! In 2026, there will be programs for Ladies Clinics, Referee Clinics, Shoot Management Software, the "5 O'Clock Somewhere" Leagues as well as Club Improvement Grants and State (Provincial) Shoot Grants.

Because I am a student of human behaviour, and I have seen this for years, . . . many of you are reading this and saying, "yes, I wish my club would do some of these wonderful things that Steve Malcolm just listed here!" So, here is a call to action; you get involved at your own club. One of the biggest problems that I see around the skeet world is "Volunteer Burnout". I have experienced it myself and it plagues our sport. If your club is not growing, maybe it is because the same things happen year over year, and the results are the same. Part of that is that very likely; the same people are running the programs, without any help or support. So, volunteer and help change things up a bit!

Thanks for letting me be on my soapbox!

Best regards,

Steve Malcolm  
NSSA Past President

## 2024 NSSA Referee of the Year

T. Eve & B. McRae | OSSA Directors

If you have attended any major shoot within Ontario, you have likely heard the name Jennifer O'Brien. Well, possibly just Jennifer or Jenn.

A referee is on the field, no matter the weather, for ALL 500 targets of the squad. This takes commitment from the person who wishes to be an NSSA / OSSA referee. Jennifer has shown this commitment for many, many years.

Jennifer strives to provide a positive atmosphere on her field, throw the most consistent targets, and be courteous and polite with her calls.

In 2024, her peers selected Jennifer as the NSSA Master Referee of the Year. Congratulations, Jennifer!!!

Presentation of Award by NSSA World Shoot Chief Referee Dan Caryl and NSSA President Stephen Malcolm

Belt Buckle – Master Referee of the Year

Photos N.S.S.A.

Note: There is an article dedicated to Jennifer in the 2025 September edition of Clay Target Nation.

## In Memoriam

In April 2025 and May 2025, the Ontario Skeet Shooting Association said good-bye to two members. Both were very active in skeet shooting as participants, mentors, and behind the scenes.

For those who have been members of the OSSA for many years, you know/know of Jennie Marsh. Jennie was active on the OSSA Board of Directors for over 40 years. A repeat of this tenure is unlikely.

Away from skeet, Jennie was happy spending time with her family and friends, watching the birds, working in her gardens, and discussing the various sports teams she followed. Her infectious smile, her laugh, her positive outlook and attitude on life are missed.

Chuck, too, was a mentor to many shooters over the years. Chuck and his brother Frank implemented the Stewart Brothers Trophy presented to the Ontario Open High All Around Champion.

Away from the field, Chuck had a number of different passions. One was music – he was a band member or led a band for many years. Some OSSA members were fortunate enough to purchase his CD.

The OSSA sends its condolences to the Marsh and Stewart families on the passing of Jennie and Chuck.

Due to poor turnout, the HGC had to cancel its April .410 X 200 tournament.

We look forward to holding and hosting more events. We thank all those that help our club to make the shoots a success.

**The Tank 2.0 – 2 X 100  
28 Gauge Recap**

In true Uxbridge fashion, the rain came down in sheets and thunder cracked across the sky—but that didn't slow anyone down at the Tank 2.0 shoot on May 17. Shooters embraced the storm with grit and good humour, turning a soggy day into a standout success. Scores were strong, the vibes were high, and the camaraderie was unbeatable. Thanks to everyone who braved the elements and made it a great day at Uxbridge Clays!

Thanks,  
Victoria Bennett | Vice President & Membership Director, Uxbridge Clays Target Sports Inc.

From FB Post:

The 2025 Ontario Junior Skeet Shooting Championship is in the Books!  
What an incredible day on the skeet fields at the Barrie Gun club today! We had a fantastic group of junior shooters take part in this year's championship — some seasoned with years of experience, and others just getting started with as few as 50 targets under their belts.

No matter their background and experience, each and every participant stepped up and did a fabulous job.

A big thank you to Doug Steed and Lorna Lane for refereeing the event, to Chris Weidenfelder of Caesar Guerini Canada for joining us and supporting skeet shooting in Ontario/Canada, and to Adam Fladd for capturing the moments from the day.

Accompanying photos A. Fladd.

**2025 Ontario Junior  
Provincial Skeet Champs**  
continued

We also need to thank all of the volunteers and supporters who helped make this event a success.

It truly was a team effort, and we're incredibly fortunate to have such a dedicated team involved with skeet shooting in Ontario.

Congratulations to our top finishers:

Champion: Owen Berry  
Runner-Up: Grace Hong  
3rd Place: Nico Murdoch

Well done to all our competitors — we're proud of every one of you, and we can't wait to see what the future holds!

**The Annual General Meeting of OSSA**  
**Members is**

**29 November 2025**

**UXBRIDGE CLAYS, Goodwood**

**All OSSA members are encouraged to attend the meeting.**

**Please arrange for one member of each OSSA-affiliated Club to attend the meeting.**

**Feedback from the membership is important for organizational growth.**

**78<sup>th</sup> Ontario Provincial**  
**Skeet Championships**  
**25 – 27 July 2025**

In mid-summer, the 78th Ontario Open Skeet Championship took place at Oshawa Clay & Target Club.

Attendance was strong, and although the temperatures were sweltering, the weekend delivered excellent shooting and great competition. HOA came down to a thrilling shoot-off after both

Dave Troiani and rising junior talent Owen Berry posted scores of 394/400.

In the end, Dave Troiani claimed the HOA title, with Owen Berry securing Runner-Up as well as Junior Champion. Charlie Peacock completed the podium with 392/400.

**Challenge Cup**

After tallying up the scores, we would like to congratulate The Barrie Gun Club on winning the Challenge Cup for 2025. Their strong attendance at the Ontario Open and high scores, have proven that the Barrie Gun Club is running with all cylinders firing. With a fantastic score of 485/500, they earned every target. Until next year!!!

## Ontario Skeet Shooting Association Awards of Appreciation

For dedicated service to the Ontario Skeet Shooting Association and Skeet Shooting in Ontario, the OSSA awarded Appreciation Awards various members of the OSSA.

Until her retirement from the position, Joan Ego spent countless hours on the board of her home club. She is an OSSA All Star and OSSA Lady Champion (many times!). She has been involved with the Junior Programming and Ontario Summer Games. Along with other women at local Clubs, Joan provided instruction to Ladies who wanted to learn about shotgun sports, skeet shooting in particular. Thank You, Joan for your dedication to skeet shooting in Ontario.

Frank Stewart started skeet shooting enjoying it so much; he built a skeet field and a Club! Like Joan, Frank has been involved with the Junior Program for many years often offering his Club for the annual Junior Camp. Frank sat on the OSSA's Board of Directors for many years offering support during many tournaments. At present Frank is the OSSA's version of Mr. Pritchard, responsible for all the hardware presented at the Ontario Open Skeet Championships. Thank You, Frank for your dedication to skeet shooting in Ontario.

**Uxbridge Clays**

**Doubles Mania**

**06 September 2025**

**HOA**

Early September welcomed Doubles Mania at Uxbridge Clays and Target Sports. With excellent weather and good targets, it was the perfect backdrop for another exciting weekend of skeet shooting in Ontario.

Dave MacKinnon claimed High Overall with 185/200, followed closely by Jim Malcolm at 183/200, while Kenny Thach rounded out the podium with 178/200.
